Sub: Traffic Advisory to U P Parents & Bus Users on NH-24

Dear Parent,

In view of NH-24 widening work (Delhi-Meerut Highway) going on in full swing expected to extend for next few months, the School would appeal to the parents to keep in mind the traffic congestion, route diversion etc while dropping your ward. You may start 10 minutes earlier so as to reach on time by 7:45 am to the School.

All the School bus users are suggested to reach their respective bus stop, 10 minutes early as all the U P bus routes would the trip 10 minutes early from their starting point.

We are looking forward to your continued support and participation.
