The Central Board of Secondary Education
Online School Affiliation & Monitoring

SUBJECT : EXTENSION OF AFFILIATION APPLICATION NUMBER EX-2608-1920

A reference is invited to the communication Number CBSE/AFF/EX-02608-1920/2019-20 dated 7th November, 2019 calling for documents in regard to the extension of our affiliation.

The subject communication inter alia requires us to upload a certificate from the District Education Office stating that the School is paying salaries to the staff as per the Govt norms. In this regard we took up the matter with the concerned District Officer for issuing the requisite certificate – copy enclosed being self explanatory. We also followed up the matter with the Education Directorate. However we understand that the Education Directorate is not issuing any such certificate - instead the Education Directorate has issued a communication in this regard - copy enclosed – which is self explanatory.

We however undertake that the Salaries is being paid and disbursed to the staff as per the Govt. norms – the Inspection Party also verified the documents in this regard.

Thanking you,
